

oomph::Tree

```
graph BT; A[oomph::OcTreeRoot] --> B[oomph::OcTree]; B -.-> C[oomph::Tree]
```

A diagram showing the relationship between three classes. At the bottom is a solid box labeled 'oomph::OcTreeRoot'. An arrow points from its top edge to the middle of a solid box labeled 'oomph::OcTree'. From the top edge of the 'oomph::OcTree' box, an arrow points to the middle of a dashed box labeled 'oomph::Tree'.
